

## P.6 Students Go To Election Affairs Centre

By Connie Wong (6A) and Yo Yo Wong (5C)

**O**n 31<sup>st</sup> October and 9<sup>th</sup> November, there was a government visit for P.6 students to the Election Affairs Centre in Wan Chai. Our school wanted the P.6 students to go, as we are having a competition to elect one student to be a leader. He or she will need to suggest some ideas on how to improve Lee Kam Primary School to Miss So.

At the Election Affairs Centre, there was a guided tour to let the students know more about the place. They learned how it works and who works at the

Election Affairs Centre. There were also some computer games to play. In the game, students could elect people in a mock election. In the mock election station, students could elect a district congressman or woman. Ronica Yau (6B), who elected Person A because she thought he was very **helpful, said, "The game was very fun. I liked it very much."** Crystal Wan (6A) said, **"Although the game was boring, it let me learn about the election."** **Children should learn about the election because when they are over 18 years old, they can elect a district congressman or woman.**

Students were also given bookmarks, pens and stamps from the Election Affairs Centre. They were very beautiful and useful.

## Student Show at Opening Ceremony

By Fiona Fung (6C), Ting Lai (5B) and Celia Tsang (4E)

**O**n 12<sup>th</sup> December, 2012 at 12:12 p.m., many groups in Lee Kam Primary School had a show together in the school hall because it was the Opening Ceremony. We had this Opening Ceremony to celebrate the school being open for one year. Mr. and Mrs. Lee Kam, VIPs, the principal, parents and **students were there to watch the students' show.**

**T**here were many shows by the choir, the dragon dance group, the orchestra and the hand bell

group. The hand bell group had sixteen members. Each one had one hand bell. They performed three **songs, including "A Little Light Music". Students thought it was fun.**

The choir sang songs in the musical, including **"We Are Super" and "1212121212". The song "We Are Super" talked about our school vision. It had many dance steps. The song "1212121212" talked about the school's opening ceremony. Students danced around the hall so that all the people in the hall could listen to the song and watch the dance clearly. The atmosphere was very lively and the show was very fun!**

## Tse Yiu Keung Ken, A Polite Student

By Ryan Ka (4E) and Crystal Wan (6A)

**K**en Tse in 6A is the monitor of his class. He is good at sports and gets good results. He is very polite, clever and kind. He got \$1000 from Mr. Lee Kam as a reward for having good results in all subjects and doing well in sports.

Last year, at Sports Day at Tang Shiu Kin Sports Ground, Ken won the 100-metre running competition. His classmates were very proud of him and hope he can get the first prize again. The class teachers were happy too.

Ken does not like students who are rude. Also, he always helps classmates with their homework if they **don't know how to do it by teaching them patiently**. Before exams, Ken studies very hard.

What do you think about LKPS?

I think the classmates are friendly, the teachers are good and the school is big.

What will you spend your \$1000 on?

I will donate some money to a charity organisation.

How do you feel about going to a secondary school?

I feel tense and frightened because I am worried that I **can't get into a good secondary school**.

How do you feel about separating from your classmates after graduation?

I am very unhappy because I always talk to them. If I **can't talk to them, I will be a little sad, but I will adapt**.

What hobbies do you like best?

I like to play basketball the most because it is exciting.

What do you want to be when you grow up?

I want to be a teacher when I grow up because I like to teach students.

## P.5 and P.6 Students Go to Reading Competition

By Max Chan (4B) and Ronica Yau (6B)

**P.** 5 and P.6 students went to a reading competition on 10<sup>th</sup> November at Ho Ngai College. They performed the poem "Spring is Coming" in Putonghua. The first line of the poem was "Spring is coming! Where is spring?" They won 2<sup>nd</sup> place and were a little bit unhappy. Emma Wong (6C) said, "I felt sad when I knew I was not in first place." Miss Wong and Mr. Ng, who went with the students, said that they should not be unhappy and should keep it up.

After they listened to the competition news, the students found out they will have another competition on 5<sup>th</sup> December in the Chan Tak Tai Auditorium in Lingnan University. Miss Wong and Mr. Ng said that after the students heard this, they shouted, "Hooray!" and everyone looked at them. The students are energetic about this competition because they want to win. They **don't want to lose. They have self-confidence** because Miss Wong and Mr. Ng told them that they are the first team from the school to go to this competition.

# Christmas in Hong Kong

By Rapheal Sin (6B) and Jessica To (6B)

People celebrate Christmas on 25<sup>th</sup> December to commemorate the birth of Jesus Christ. People can celebrate at home. They can eat lots of food like sandwiches, potato chips, salad and turkey. People also write Christmas cards to their friends, teachers or family. They can also play many games, do magic tricks, tell jokes together and sing **many famous songs, like “We Wish You a Merry Christmas”**.

Students will also have a Christmas holiday. They can go shopping with their families to look for Christmas trees and bells to put on the Christmas tree. Also, they can buy some Christmas presents for friends and parents. They can buy some clothes or mobile phones as presents. We asked some students what they like best about Christmas. Fiona Fung (6C) said, **“I like the Christmas trees the most because I can put a lot of things on the Christmas trees, like some bells.”** Ting Lai (5B) said, **“I like to eat turkey at Christmas because it is very yummy.”**

Every year on Christmas Eve, which is 24<sup>th</sup> December, Hong Kong will have a Christmas celebration. This year, Statue Square in Central will have a giant Christmas tree, a Christmas carousel and other holiday entertainment. Sometimes, a Hong Kong pop star will give a performance.

In the past, in Ho Yat Tung, we played many games and ate a lot of food at our Christmas party. We were very excited. But, this year we will not have a Christmas party to celebrate Christmas at our school. So, many students in Lee Kam are very hopeful that Lee Kam Primary School will have a Christmas party again in the future!

## Lee Kam Students Clean the Beach

By Ceci Chan (4A) and Gordon Lee (4E)

**O**n 9<sup>th</sup> November, about 45-50 Lee Kam students went to Golden Beach in Tuen Mun to clean up the rubbish. The students went to clean the beach because they wanted to make the beach cleaner. First, the students went to school to take gloves. Next, they walked to the beach. They went with Miss So and Miss Wong and some parents. Then, they had a rubbish bag to put the rubbish in. Finally, they cleaned up the rubbish that was on the beach by themselves. They wore the gloves to pick up the rubbish and put it in the rubbish bag. Then, they had to write what kind of rubbish they had on a piece of paper. They found plastic bags, bottles, papers, food and cans.

We asked Otto Wan (4A) about the beach cleaning. He said, “I didn’t like cleaning the beach because it was boring and hard to do!” We also asked Thomas Yip (2D), who said, “I didn’t like cleaning the beach because I hate cleaning.”

Cleaning the beach was boring, but the students learned that they should not throw the rubbish on the beach. So, it was a good thing, even though it was so hot on that day!
