By Mavis Ma (4A) and Stephanie Chow (5A)

**O**n the thirtieth of September, all of the students and teachers of Lee Kam Primary School, and some parents, went to Tin Shui Wai Park to have a picnic.

First, they went to the playground to play. There were some slides, swings and flying foxes and they played happily. Then, they had their lunch, but suddenly it started raining, so they **couldn't play any interesting games.**

# P.5-P.6 Students Learn Dragon Dancing

By Joshua Ho (5E) and Smiling Po (5B)

In October, P.5 to P.6 students studied Dragon Dancing at Lee Kam Primary School. The students had three Dragon Dancing lessons in their Physical Education classes.

A Dragon Dance teacher called Miss Wong came to the school to teach the students. The P.E. teacher, Mr. Liu, taught the dance groups too. In a Dragon Dance, 10 people carry a stick with a dragon on it and walk around, doing some special actions.

Everyone practised Dragon Dancing very well and thought the activity was fun. The students enjoyed it because they could play together with their classmates. We asked Ryan from 5B what he learned in the lessons and he said, "I learned how to control the dragon."

Teresa from 5C said, "Dragon Dancing is hard because the dragon is heavy!"

At the end, they showed the special dance to an audience. Mr. Liu hopes some students will join the Dragon Dancing group.

## Halloween at Lee Kam

By Ceci Chan (5C) and Catherine Shi (4E)

On the thirty-first of October, it was Halloween and students at Lee Kam Primary School dressed up to scare and play 'trick or treat' on each other.

At recess time, the students played Halloween games happily in the playground. Some dressed up very well and took photos with Miss Karen. The students brought some candy to school. Why? Because they exchanged their candy with their classmates and friends. Some of the teachers gave candy to the students too!

Kindergarten students and parents enjoy their visit to Lee Kam Primary School

**O**n the fourteenth of September, some kindergarten students and their parents came to our school for a visit. On that day, it was our school Open Day.

Students from different kindergartens came to Lee Kam Primary School. They came because maybe in the future the children will come to study here. They did many different things during their visit. They played a lot of games, did crafts and listened to music.

A lot of students and teachers from Lee Kam helped to make it a fun day for the children. The I.T. helper took the parents around the school to introduce the different classrooms. The librarian told funny stories to the children. The computer helper taught the kindergarten children how to use the computers.

**Student helper, Shiny Lau from 4C, said, "I was in charge of the library and all of the children enjoyed listening to the story-telling. It was a great day."**

All of the helpers and teachers hope that the kindergarten children will come to our school to learn happily.

## The Scouts at Lee Kam Primary School

By Jackson Wan (4C), Gordan Lee (5C) and Ryan Ka (5B)

**I**n May, the Lee Kam Scouts started training together. There are about 40-50 students and four teachers, Mr. Lee, Mr Wong, Miss Lee and Mr. Cheung. They are the New Territories West 1741<sup>st</sup> team.

The Scouts have practice once every two weeks on Wednesday. They play a game after each practice and this teaches the students a lesson. The four teachers teach them many things such as first aid and rope tying.

**Stephanie Chow in 5A says, "Scouts is very fun because there are lots of activities and I can learn many new things."**

The team is divided into six groups: red, yellow, blue, green, brown and grey. Each group has about 7 students and there are 2 captains in each group. One captain stands in front of the members and the other one stands behind them, to make sure everyone works together.

Scouts is good because the students can learn to help people.

## The Good Prefects of Lee Kam

By Shiny Lau (4C) and Nicole Lai (5B)

**E**very year, a new group of prefects is chosen to be the leaders of Lee Kam Primary School. The prefects are chosen by Mr Leung and if he chooses you, you have to be helpful, polite and kind.

There are many different jobs for the prefects to do. Some of them take care of the P.1 students and some take care of the classes, to help monitor behavior. If some students are naughty, the prefects have to mark down their names or tell the teachers. Of course, the prefects have to check and make sure that the students are being careful on the stairs too.

Some prefects help the teachers on Parents Day. They have to tick the names of the parents off as they arrive.

**Cherry Sin, a prefect in 4B, says, "Being a prefect is good because we can help the teachers and the students always say funny things that make me laugh! Being a prefect is fun."**

The prefects are good people because they always help people and work hard.

Prefects Ellie Lam and Helen Yam make a donation to charity.
