June 2017

### Student Election

By Peony Lui (5B) and Yanis Miu (5B)

**O**n 5<sup>th</sup> May, all the nominees for the Student Election were speaking about their proposals at the assembly in the hall. They were calling people to vote for them to be the Student Body President of Lee Kam Primary School.

The nominees were Vanessa Yip from 5A, Zita Lee from 5B, Elvia Hung from 5C, Terry Choi from 5D and Monique Wong from 5E. They were all competitors. All students and teachers in Lee Kam could vote for their desired nominee. They could vote between 5<sup>th</sup> May to 10<sup>th</sup> May. They couldn't vote on 11<sup>th</sup> May because the vote ended on 11<sup>th</sup> May at 11:00 am. They only had five days to vote.

While the election was on, all the nominees and their friends went to different classes or places to ask people to vote for them. They asked the students to vote for them or gave them gifts. They sometimes asked their classmates to help them ask other people to vote for them, but they mostly did it themselves. They promised that they would make recess longer.

Zita Lee, one of the nominees from 5B said, "I hope I will be the winner of the election!"

One of the voters, Chloe Kan said, "I want 5B to win too!" She was from 5B and she thought Zita Lee was very good because of the "lunch set change" proposal. Zita said that when she becomes Student Body President, she will ask to have some dessert in our lunches.

At the end of the student election, Zita Lee won by 85 votes. Miss Yeung from 5B said, "I am so proud that my class won! They did a good job!" Congratulations, Zita!

5A nominee Vanessa Yip speaking about her proposals in assembly.

### Lunch Challenge for Students

By Cassie Leung (4A) and Ingrid Lee (5D)

**O**n 10<sup>th</sup> May 2017, there was a lunch challenge for LKPS students in the canteen at lunch time. They could eat just a little bit for lunch in this challenge.

On that day, except for 33 students who couldn't join because of health reasons, every student only had bread for lunch. P.1-3 had two pieces of bread and P.4-6 had three pieces of bread. The 33 students needed to bring bread or rice for lunch. This challenge was for students to know what the feeling

# Museum Visiting Day

By Thomas Chan (5B) and Tac Cheng (5D)

**O**n the 3<sup>rd</sup> of April, 2017, from about nine o'clock to half past twelve, all the students and teachers from Lee Kam Primary School went on a trip to different museums because we wanted to see and know many different things.

P.1 students went to the Wetland Park, and P.2 students went to the Science Museum. P.1 went there to look at the animals on the ground or in the sea. They saw lots of animals like lizards, birds, and other wetland animals. P.2 learnt about science. In the science museum, there are lots of machines that explain science.

P.3 students went to the Heritage Museum, P.4 students went to the History Museum, P.5 went to the City Gallery Museum and the P.6 students went to the Hong Kong Museum of Coastal Defense. P.3-6 students learnt about lots of things in Hong Kong. Every class saw a video about the past of Hong Kong. P.5 saw the past buildings of Hong Kong.

Every class had free time to play. Some had free time to play some machines in the museum. Jason Chong in 5B said, "I learnt a lot of things in the City Gallery Museum."

We hope we can go to another museum again!

Some P.3 students are playing Chinese checkers.

## P.6 Advice COLUMN

Dear P.6 student,

*Two of my friends argued with me, and they said bad things behind my back. Before we were best friends, but now we hate each other. How can I help our relationship? I feel bad and I can't even look at them because their eyes always look at me wickedly. Teach me how to solve this problem, please!*

Love,  
Sad and Lonely

Dear Sad and Lonely,

When you get to know your friends more, there will be more arguments. When you get problems with your friends, try to take a deep breath and calm down. Give your friends some time to calm down too. Go apologise to them, and they will apologise to you after. Real friends are really difficult to find, so try to accept your friends and enjoy every moment with them. Make more memories with them.

Don't be upset over people who don't like you. Life is still going on. You can make new friends. You can keep going around and meeting new people. Remember, making good relationships with friends is not hard if you think wisely.

Love,  
Hayley Kee (6E)

## Lunch Challenge continued from p. 1

5B students enjoy the lunch.

of hunger was.

After the lunch, Ms. So introduced the countries which are poor and don't have enough food. She talked about how a child in Africa dies every five seconds, so we can't waste food.

Most students liked this lunch very much. Hinson Lok from 5D said, "I could eat very fast. And it was better than the normal lunch."

However, some students didn't like it. Cassandra from 3B said, "Luckily, I didn't need to join. Otherwise, I would be very hungry and couldn't pay attention in class." Although she couldn't join, she still knew not to waste food.

Ms. So felt happy. She said, "There were only 33 students who couldn't join the challenge this year. That means students want to know what the feeling of hunger is. They might learn not to waste food!"

This activity is reasonable because the students know not to waste food anymore. We hope we can have it again next year.

## P.6 Advice COLUMN

Dear P.6 student,

*How can I get better at sports? It is hard for me. I am good at other things except sports such as basketball. I am short and powerless.*

Sincerely,  
Mr. Bad Sport Player

Dear Mr. Bad Sport Player,

I will give you some advice. You can join the basketball team, football team, or the track and field team. They can help you get better at sports. I think basketball will be good for you, but it depends on what you like and also when you are free. You should go to every practice to get better.

I suggest you to run so you can improve your lung capacity. Hope I have helped you!

Sincerely,  
Sean Cheng (6E)

Dear P.6 student,

*I want to ask you a question. Some people are not very nice to me. I am really confused what to do because I think it will be worse if I tell the teachers! I tried to stop them a lot of times, but I can't stop them! Can you help me please?*

From,  
B-Ying Bullied

Dear B-Ying Bullied,

If your classmates are bullying you, you must tell the teachers about it. The teachers will punish the bullies. If you don't want to tell the teachers, you can tell your friends and they can help you talk to the teachers.

From,  
Sky Leung (6E)

Dear P.6 student,

*I am from Primary 4. I know I am going to have a super difficult exam next year to test for secondary school during Primary 6. I am afraid of it. Can you please give me some more details about it and how to prepare for it?*

Sincerely,  
Confused and Afraid

Dear Confused and Afraid,

You should prepare your learning in P.4-6. It is important because three of your exams will decide your banding (Band 1, 2, 3) between P.5-P.6. They will affect which secondary school you can get into, so you should do more revision.

You can simply pay attention during class and jot down notes. You can also do extra exercises if you want to. Be sure to ask your teacher if there is anything you don't understand. Don't be afraid or shy to ask. Keep it up. You can do it.

Sincerely,  
Chloe Cheung (6E)

## FILM REVIEW

### Moana

By Po Yip (4B) and Ankie Lo (5E)

**M**oana is an animated movie from Disney. The main characters are Moana and Maui. Maui is a demigod. Moana is from an island called Motonui. Her father is the chief of the island. A long time ago, Maui stole the heart of Te Fiti who is a goddess.

Stealing the heart made all the islands lose their life, so the sea chose Moana to find Maui and restore the heart of Te Fiti. This adventure happened on the sea. Moana's voice was spoken by Auli'i Cravalho. Maui's voice was spoken by Dwayne Johnson.

It is a very exciting movie. The movie is special because it has a twist ending. The funniest part was that when Maui threw Moana into the sea, the sea would always deliver Moana back onto the boat immediately. There was no part that we didn't like.

This movie is suitable for both adults and children. We recommend it to our friends because it has good music and an exciting story. We liked the music because the melody was good. It made the movie much more lively.

We liked the chicken Hei Hei too because it made the movie much more interesting. Hei Hei was very silly and didn't know what it was eating.

We will give this movie four and a half stars out of five because Te Ka was a bit scary for small kids and made some of them cry. If you liked *Inside Out*, you will like this movie too.

# PROFILES: Lee Kam School Teams

## The Football Team

By Ivan Tsang (4A) and Maxwell Yeung (5A)

**T**he football team is one of the sports teams in Lee Kam Primary School. Students who are good at football join the team. They are all from P.1-P.6. The football team always has competitions. Mr. Liu and Mr. Chan are the coaches.

The football team members practise football in the basketball court. They practise every Tuesday, Thursday and Saturday. They practise some shooting, dribbling and passing skills such as overlap and full pass. Ryan Leung from 4E said, "I joined the football team because I have played football since I was young. I like playing football because I can play in a match with my friends."

The football team won many competitions. They have competed in six competitions this year. They got 4<sup>th</sup> and 5<sup>th</sup> in two competitions. Although they didn't win this year, they were the champions last year. They still didn't give up. Mr. Chan said, "I feel happy to be the team's coach. The most unforgettable moment was when we won the inter-school competition for Tuen Mun District for the third time."

Do you want to be a football team member? If yes, remember to join it next year. Remember, you don't need to try out!

## Young Writers

By Marcus Wong (4A) and Marvin Wong (4D)

**E**very Saturday from 3:00 to 4:30 p.m., the Young Writers write stories for the LKPS magazine. The magazine is called Expressions.

They write stories, poems, and letters based on their imaginations. There are 16 people in the class from P.5 to P.6. Their favourite writing topic is stories about animals. They also enjoy writing in different styles. Henry Siu from 6E said, "I like joining the Young Writers because it's fun. My favourite part this term was when we wrote about magic potions."

James Sheng from 6C said, "I didn't really like the class because I do nothing but write, write, write." But they only publish magazines twice a year. Everybody in Lee Kam likes to read them. The class teacher will give the magazines to the students.

Miss Amanda is both the teacher of the Young Reporters and Young Writers. She said, "My favourite things about teaching the students is trying different styles of writing and sharing famous poems like Shel Silverstein's and books like *The BFG* by Roald Dahl." The students use the poems and books as examples. Miss Amanda isn't a teacher at our school. She is very good at English.

If you are a P.4-5 student now, you can join the Young Writers next year.
