By Ingrid Lee (6D) and Jaiden Chan (6D)

**O**n the 9th of November, 2017, Lee Kam Primary School had a Picnic Day in Hong Kong Park. All the students joined the Picnic Day. Some parents joined too. The day started at 9:00 a.m. and ended at 3:30 p.m. Hong Kong Park was a fun place for the students to have a picnic. There was a little bird park, the Olympic Square, and many other things to visit.

The students played collective games in Olympic Square. This year, P.1-P.6 played different games. There was a ball passing game and a hula hoop passing game. The games were so much fun.

Most students brought their own food. There were sandwiches, rice balls, udon noodles and many different kinds of food.

The students enjoyed eating very much and because it was hot that day, they also bought ice cream.

Qebbie from 6D said, "You needed an adult to go with you to all the places in the park. However, I didn't have a parent to go with me."

This Picnic Day was a great time for pupils to relax. They hope they can have their picnic in a theme park next year!

## Christmas at School

By Charlotte Chou (4B) and Natalie Mok (5A)

**O**n 21st December, P.1-4 had a Christmas party. They had a party at school. In the party, they ate a lot of snacks and they played many games.

At the school's Christmas party, some students could draw on the blackboard and white board in their classrooms.

Teachers asked students some riddles. They played some games like hide-and-seek and seven-up. If you wanted to play hide-and-seek, you needed to choose someone to close his or her eyes and count to 10. The other people needed to run away. If someone was caught, he or she would count next.

P.5-P.6 didn't have a party because they went to Guangzhou and Nanjing.

## P.5 and P.6 Trips to China

By Yanis Miu (6B) and Peony Lui (6B)

**O**n the 20th of December, 2017, P.5 and P.6 students went for a trip to China. P.5 students went to Guangzhou from 20th December, 2017 to 21st December, 2017. P.6 students went to Nanjing from 20th December, 2017 to 23rd December, 2017. They needed to go to these places because the teachers wanted them to learn more about the history of China.

P.5 went to Wong Po Soldier School and the Sun Yat-Sen Memorial Hall. Inside Wong Po Soldier School, the students looked at the teachers' room, dorm rooms, and more. In the Sun Yat-Sen Memorial Hall, the students learned all about Dr. Sun Yat-Sen. They stayed in Guangzhou for two days and one night. They ate some Guangzhou food and some students bought souvenirs, including key chains and toys. The students liked the food the best.

P.6 went to a temple called the Sea of Tranquillity Temple. They also learned about the First Opium War and the Treaty of Nanking. The tour guide showed them the place where the Treaty of Nanking was signed. After the First Opium War and the Treaty of Nanking, China began receiving other unfair treatment, so it was important to Chinese history.

The P.6 students also went to a supermarket which had a bunch of Nanjing food, including tofu and tea leaves. They also tried Nanjing's most famous dish – Nanjing soy sauce chicken. It tasted bad to some students, but it tasted good to other students.

Catherine Chan from 6B said, "I enjoyed the trip with my friends!"

Miss Hu, class teacher of 6B, said, "I had fun with the students. It was enjoyable!"

The trip was fun for most of the students. They thought it was great!

## Drama Team

By Marvin Wong (5C) and Cassie Leung (5C)

**T**he drama team has a lot of talented students who work hard in the school hall of Lee Kam Primary School. They practise hard so they can perform in front of the school in assembly.

The drama team has many teachers, including Ms. Karen, Ms. Ng and Ms. Chung. In a normal practice, Ms. Karen will tell students to speak as loudly as they can while she stands at the back of the hall to see if she can hear them. This tests their courage and voices. It also helps them practise to feel more emotion.

The drama team has many teams, including team A, B, and C. Drama Team A usually acts out movies and popular stories. Drama Team B and C choose their own topics. The drama teams don't perform very much, but they practise as hard as they can. They have gotten some awards for our school.

Aiden Cheung from 4A said, "I enjoyed the drama team. I also learned teamwork from it."
