## My Pet Unicorn

Angelina So, 6A

It was summer, and I didn't need to go to school. I went to a park and saw an egg. It wasn't just any egg. It was a bunch of funny colours, and it was huge! I waited for about five minutes, and the egg hatched.

An animal came out! It looked a bit like a horse but with colourful fur and white wings. It was super cute and pretty. It was also super short. It was also super friendly and funny. It had a yellow horn.

I thought, "Oh! Oh! Is this a unicorn?"

I brought it back home and named it Cheesecake because it loved eating cheesecake. I needed to buy cheesecake all the time since it ate cheesecake all the time. It ate about 15 boxes of cake in one day. That is crazy! So, the unicorn made me go to the supermarket every day.

Now that I had Cheesecake, I needed a home that was not too hot or too cold. When it was too cold, I needed to turn on the air conditioner. If I didn't, the unicorn would squeak, which was quite annoying. It always wanted the room to be 24°C. If it was any hotter or colder than that it squeaked!

The biggest problem was that, as it grew bigger, it started to fly around the house. It wouldn't stay in its cage! Because of this, my parents moved into a big new expensive house. It had a whole yard for the unicorn.

After I moved to the big new house, the unicorn started to fly around all the time. Once, it got stuck in a tree! I needed to use a super long stick to help it get back on the ground. I took a stick from my house and pushed it up into the sky. I held it next to the tree to let the unicorn step on the stick. I caught the unicorn when it came down. It was so heavy! It was so funny, my neighbours laughed for so long. I was embarrassed.

Although sometimes I hate my pet unicorn, I still think it's super cute. I hope my unicorn likes me as much as I like it.

## My Pet Villnious DX

Gabriel Litt, 5C

When I was playing in a tree, I saw a bakugan that was purple and black. It looked like a purple and black ball and was about the size of a ping pong ball. It was light and soft. I picked it up.

Suddenly, the bakugan started glowing with a bright purple energy. Then, a two-headed dragon jumped out of it. The dragon said, "You are my master. I am your pet, Villnious DX." Then it turned back into the bakugan ball.

I was so surprised. I picked it up again and ran all the way home.

In my room, I took out my bakugan and said, "Hey Villnious DX, where did you come from? How did you get here?"

The ball started to talk. "Our king told us to go to the Earth to find a master. We need to find an evil bakugan and fight it." I was surprised, and that was what I told the creature. But I kept him. I gave him apples and played with him.

One day, I took my bakugan outside and someone was standing there. The person said to me, "Hey, have a battle with me." He had a bakugan, too. His was red.

"No problem," I said.

Together we had a fight. Then we became friends. We both were strong, so we did not know who was the winner of the battle. Villnious DX and the red bakugan became friends, too. Villnious DX was happy to have a new master with friends.

# My Lovely Pet Dolphin

*Sherman Liu, 6B*

I have a dolphin as my amazing pet.

Before I moved into a city, I lived near the sea. One day, I was swimming and saw a dolphin stuck in a net. I tried to rescue her but couldn't. I also saw a baby dolphin. I was able to rescue it. I named the baby dolphin Queen.

I wanted Queen to feel happy, so I made a bigger swimming pool for her. She is very sporty. She always swims for two hours. She is cute when she swims. She has very big eyes and a cute face. She is a pink dolphin.

Queen has some special talents and tricks. She can jump so high, even higher than a building! She also knows how to speak English. Because of that, we are close. We swim together and we race sometimes.

Although she is cute, she is a bit naughty. She jumps so much that the water splashes everywhere. But I can't get angry at her once I see her cute face. I just always need to clean up the mess she makes.

We will live happily ever after.

# My Pet Phoenix

*Jasper Lim, 5E*

I met my pet phoenix when I was going into the fire dimension. I went into the fire dimension through a portal. In the fire dimension, everything is made of fire.

I saw a phoenix on the ground. It was hurt. Its wing was broken. It wasn't a gift for me, but I was a gift for it. I immediately picked it up and performed surgery to fix its wing. After that, I had to go. It kept following me, so I made it my pet. Also, it was so young!

There were things I needed to buy to own a phoenix, so I went to buy that stuff. There were no stores that sell things for phoenixes. I had to build it a fireproof house out of fireproof fabric myself. It needed a fireproof house because the house could

burn. Phoenixes burst into flames, and they be burnt stuff for fun.

We'd been together for five months when it became winter. I was sad. The phoenix's fire dimension had been destroyed, and it was now winter. Since it was winter, it was too cold for the phoenix. I couldn't make a house that was cold resistant because the materials were too expensive, so I had to put down my phoenix.

I was sad. I cried the whole winter. I wished summer was a little longer.

# My Pet Edgar

*Tovi Yun, 4A*

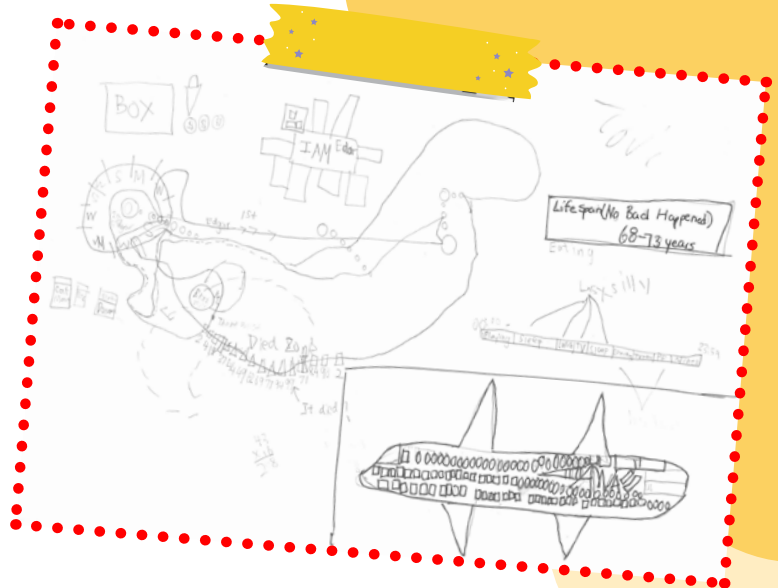

When it was 2020, I found a box. The box was so strange, so I opened it. The first time I opened it, there was money. I opened it again. A real car appeared in front of me!

I opened the box 100 times, and good things would always come out of it. So, I opened it and closed it the whole day. The biggest thing to come out of the box was called Edgar.

Edgar is a strange sheep that has a pair of wings. Edgar is black and white and looks silly. I think Edgar is from space.

I had to give Edgar a lot of things, but many of them couldn't be found on Earth. Edgar took me to space. He gave a UFO to me so that I could return to the Earth. He said he would fly around space alone. He flew eight lightyears an hour. I was not scared, and I let Edgar go.

After ten days, Edgar returned with a whole bunch

of things for me. My home was not big enough for me to keep Edgar and all the things he brought back. I tried to give those things to others, but he wouldn't let me.

The next time Edgar went to space, he did not come back. I think that he was eaten by a black hole.

# My Pet Hamster

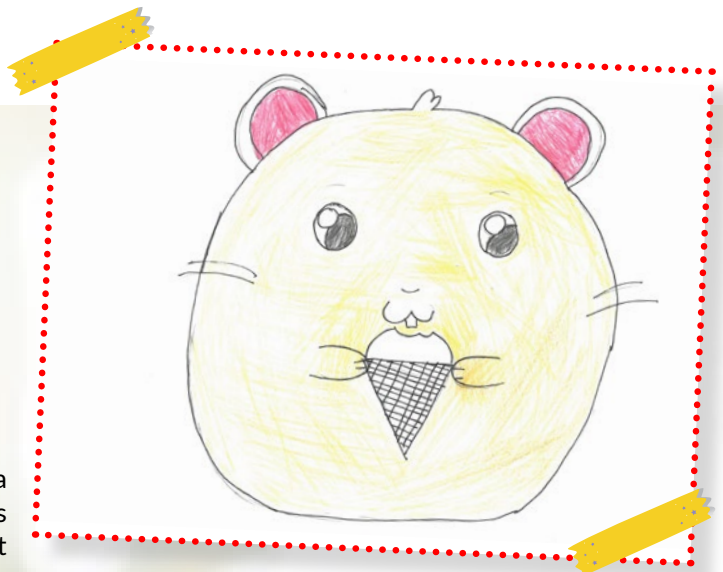

*Valerie Ho, 6C*

Last week was my birthday. Aunt Hazel gave me a hamster, which I really wanted. It is very cute. It has fur that is light brown. It is very fluffy. I played with it all day. I named my hamster Snowball.

Snowball likes playing jigsaw puzzles. We have finished five jigsaw puzzles already. Snowball also likes to throw chocolate crumbs.

I like Snowball very much, so I play with it every day. Snowball really likes eating ice cream. One day, I dropped some ice cream on the floor. Snowball ate it up as fast as she could. She really likes eating strawberry-flavoured ice cream and cookie dough-flavoured ice cream. Because of this, I have to buy ice cream every day. It is quite annoying.

Every night, Snowball only sleeps on my squishies. I have to buy big new squishies for Snowball to sleep on,

and all the squishies are very expensive. The squishies must be very soft and comfortable so Snowball can sleep on them.

Snowball likes to hide in every corner. Every time, I get scared that Snowball has been lost or hurt. I can't buy furniture that has sharp corners or gaps because that may hurt Snowball. Snowball likes playing hide-and-seek. I play it with her every evening before dinner.

I am glad to have Snowball as a pet. I love Snowball, and Snowball loves me very much, too. Snowball is my best friend forever.

## Modern Cinderella

Gwyneth Kwan, 5C

There was once a beautiful girl who lived in a fancy house with her cousin, Maria. The name of the town they lived in was Town Macos. The beautiful girl's parents died when she was very little. Her name was Cinderella. Cinderella was taken care of by Maria, who was her guardian.

One day, a soldier told them that the prince was going to hold a ball at the castle. Cinderella and her cousin wanted to go to the ball. Cinderella asked, "Can I go to the ball?"

"Yes! You can but don't forget to wear your long blue ball gown!" Maria said. Maria had to go to the supermarket to buy dinner because the fridge had no food inside, so Cinderella ended up having to go to the ball by herself.

Once Cinderella arrived at the ball, she was so nervous. The castle was big, and everything was made of gold. Then, she met the prince. They danced until the end of the night. She fell in love.

She texted her cousin about the prince. Then she ran home because she missed her cousin.

The prince cried, "Please don't run away! I love you."

But all that was left behind was Cinderella's glass slipper.

Finally, the prince found Cinderella. He said, "Will you marry me? I will give you the things you want."

"Yes, I will! I love you!" Cinderella said.

Often Cinderella texted her cousin Maria even though she lived with the prince. "He is soooo cute!"

"Really?" Maria texted back. "Have you told your friends yet?"

"Hey, please don't WhatsApp," said the prince.

"I am getting so sleepy," Cinderella said. "What time is it now?"

"It is 10:00 p.m.," said the prince.

"Oh no! I need to sleep. Goodnight, my prince!"

"Goodnight, my princess."

And they lived happily ever after.

## The Delicious Gingerbread Girl

Jeffery Lu, 5C

There was an old lady and a young man.

They both liked eating bread, so they cooked a delicious gingerbread girl.

When the gingerbread girl was finished baking, she jumped up and ran out of the house. She said, "Walk, walk, walk as slow as you can. You can't catch me! I'm the gingerbread girl!"

But when she was walking, a little cow ate her eyes. Her eyes were made of cookies and blackberry jam. She said, "Oh my eyes!"

But she continued. She said, "Walk, walk, walk as slow as you can. You can't catch me! I'm the gingerbread girl!"

Then she went to the supermarket. She went there by accident, since she could not see. She could hear music from the market.

The shopkeeper said, "Wow! You look delicious. Stop. Don't go! I want to eat you!"

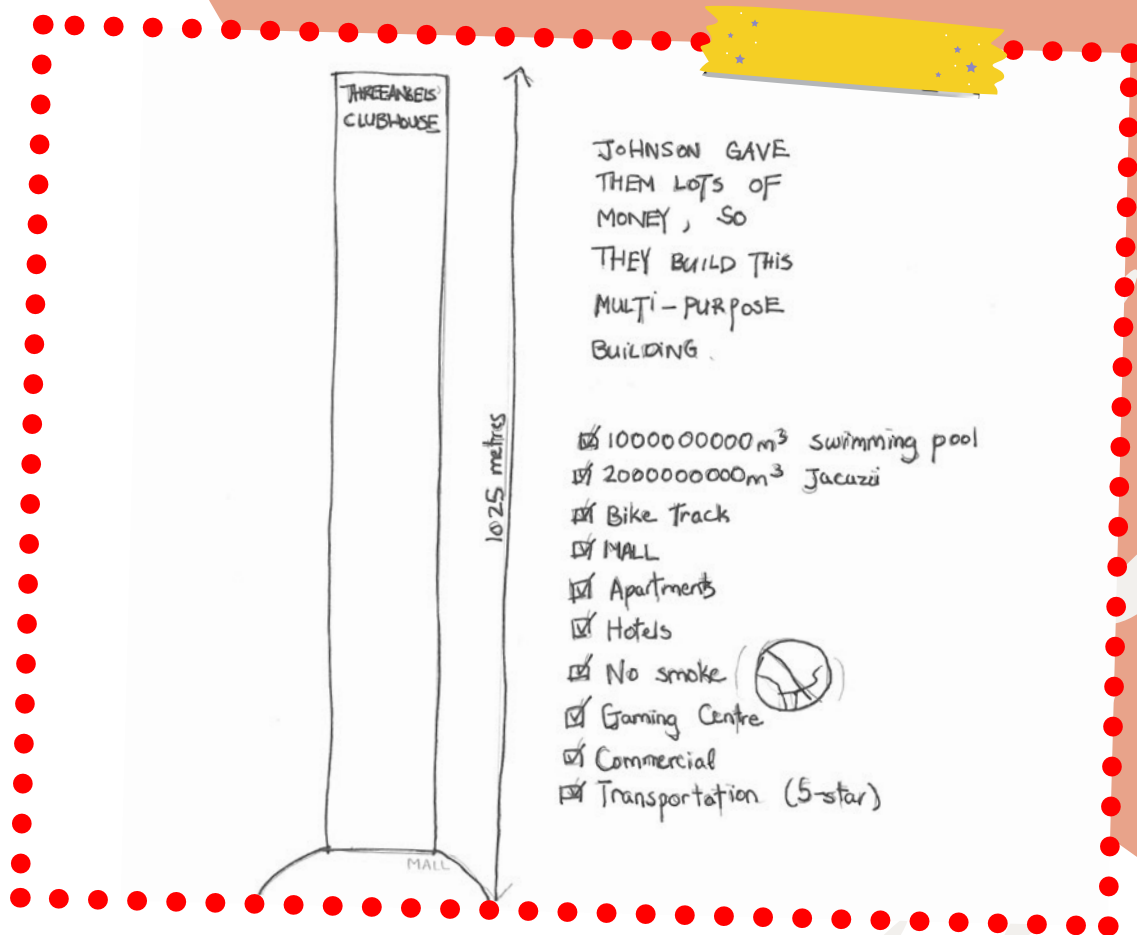

The gingerbread girl just said, "Walk, walk, walk as slow as you can. You can't catch me! I'm the gingerbread girl!"

A fox was coming to eat her, but she said, "Walk, walk, walk..."

But then the fox ate her mouth. All she could do was think, "Oh my gosh! My mouth!"

Then she arrived at a river, but she couldn't see the river since her eyes were eaten by the cow. She kept walking. Suddenly, she fell into the river! *Crash!*

Some people heard her fall. The man who baked the gingerbread girl said, "Hey, what happened!?" He and the old lady went to see. He yelled, "Oh my gosh! My dinner!"

# Johnson and the Three Angels

## Mennas Ko, 6E

Once upon a time, there were three beautiful girls. They were all called Angel. To identify them, the oldest was called "Big Angel", the medium one was called "Middle Angel", and the smallest one was called "Little Angel".

The Angels lived in a huge house in New York in the United States of America. There were a lot of expensive phones that everyone loved very much in the house. This wealth attracted a lot of people to steal from their house.

Out of these thieves, Johnson was the bravest. When the Angels were out for dinner, Johnson and his adventure team broke down the door to get in.

Once they were inside, they saw a lot of things they had always wanted to own. There were the newest iPhones and smart tablets. In fact, the tablets were the most expensive ones on the market! Johnson and his team grabbed them all, and they sold them for a high price. After selling them, they earned so much money they could take a monthly trip to Ireland.

The night after the robbery, the Angels came back. They realised their electronic products were all gone. The only person they could think of was Johnson, so they called the police. They thought of him because of

his reputation as an excellent thief! Furthermore, there was a tiny camera in the corner of the house.

The police used the army's GPS to find Johnson. Unfortunately for Johnson, this worked very well. They caught him and his friends.

Finally, Johnson told the police everything they'd done. He asked for a chance. The police promised that they would give him a chance, but he had to stay home for a full month. Otherwise he would have to go to jail for five years. Johnson learned a lesson. He would never steal again.

To recover from his mistakes, Johnson decided to buy the Angels whatever they wanted. To afford this, he started working very hard carrying goods from place to place. Within only a month, they got tonnes of jewellery and expensive iPhones. But as they became richer and richer, Johnson became poorer and poorer.

None of the companies accepted him for work, so he could only beg at the city centre in New York. Therefore, he eventually died while he was begging in Manhattan.

After he died, the Angels buried Johnson's body near their home in the forest. They were thankful for his help.

## Diary of a Bird

Fiona Wong, SE

### Date: 1<sup>st</sup> August

Mum says there are three things I should always remember:

1. I must go back home at 10:45 a.m., even if I don't like to go home early.
2. I must share with my brothers and never quarrel with them.
3. I must eat books every day. I must never read books. Mum doesn't like books. She thinks they are boring.

### Date: 2<sup>nd</sup> August

Today, I tried to teach my brother how to see if birds are nice or evil.

Firstly, you look at their hearts and cast the spell, "Good or evil". Then you jump. My brother is evil and cannot do it. We usually fight.

Then, I tried to teach him how to change to different colours. He is not good at it.

Tomorrow, he says he is going to teach me to behave like a crazy guy. I'm not in the mood to learn that!

### Date: 3<sup>rd</sup> August

Today was just crazy! My silly brother Max told me how to behave like a crazy guy, but I thought it was so silly! He told me to break the whole house and dance like a crazy guy! I really couldn't do it.

I flew out as my mum and dad were at a dancing party. I went

to my friend Spider's house. He told me how to walk upside down, but I really can't do that either.

### Date: 6<sup>th</sup> August

Today, I went to school by myself. Miranda, my best friend, and I tried to make real worms into a statue. But I was so hungry, so I just ate the worms. We both laughed. I ate the worms with some ants. They were just too yummy. I ate three plates of them.

### Date: 7<sup>th</sup> August

I had the worst nightmare last night - I dreamed that a big fat snake wanted to gobble me up! I really was afraid!

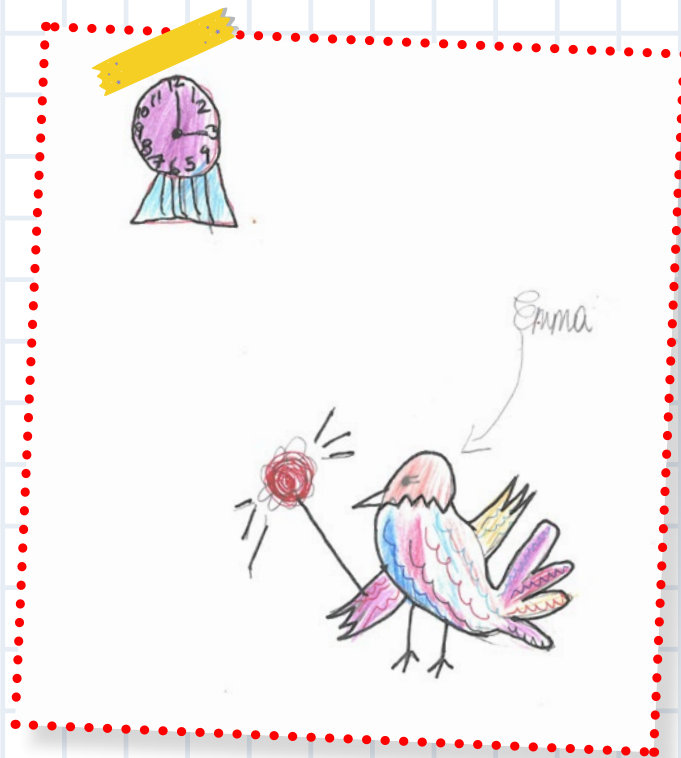

Mum says I need to stop eating so many worms and ants before I go to bed.

### Date: 10<sup>th</sup> August

When I grow up, I want to be a kind fairy godmother. But my mum and my brother laughed at me when I told them. I felt so angry. I did not want to talk to them. And even my best friend Miranda laughed at me. What a bad day!

### Date: 12<sup>th</sup> August

There are three things I don't like about being a bird:

1. Flying around can be so tiring!
2. Living in a nest is so silly! I'd rather live on the ground.
3. Going to bird school is so boring! They teach art. I hate art so much.

### Date: 14<sup>th</sup> August

These are three good things about being a bird:

1. I can eat worms and ants. They are super delicious.
2. I can go away when my mum and dad aren't home.
3. I can read interesting things because no other animals know words.

# Diary of a Harmful Bacteria

**Date: 10<sup>th</sup> May**
