

Lee Kam Open Day

By Shiny Lau (4C), Nicole Lai (5B) and Vienne Chiu (5A)

On December 21st, Lee Kam Primary School had a school Open Day. This day was to show LKPS to kindergarten students and their parents.

Lee Kam had a lot of games for the kindergarten children so that they could try new things. Mr Ken and Miss Karen held some English games in the English Zone. In the Art Room, children could make a key ring. In the Maths and Science Activity Room, children could learn how to **fold paper planes**. **Cherry Sin from 4B said, "I designed some of the games for the students. I went to the Open Day with my parents. I was happy on that day."**

The school also had some performances like hip-hop dance, violin and choir. On that day, the prefects and scouts were on duty. When the students and parents arrived, they directed them to the different rooms.

The students hope that there will be more fun games at the next Open Day and that more children will come to see their school.

Orchestra Wins First Prize

By Jackson Wan (4C), Ryan Ka (5B) and Kelvin Hui (5E)

On December 21st, 2013, the Lee Kam Orchestra won first prize in the Tuen Mun District Chinese and Western Instrumental Music Contest. The competition was organised by the Tuen Mun Arts and Dramatic Association. **The orchestra played “The Can-Can”.**

The teacher in charge of the orchestra, Miss Chan, said, **“The members of the orchestra had to unleash a spirit of teamwork because there was no conductor. Their performance was excellent!”**

There are about 30 students in the Lee Kam Orchestra. They practised every Saturday and also during recess before the competition.

Joan Lai from 5B said, “We won first prize because we worked very hard.”

Any student at Lee Kam Primary School is able to join the orchestra. We hope they will do well in their next competition!

Best Ever Christmas Party at LKPS

By Keifer Kung (4E), Gordon Lee (5C) and Joshua Ho (5E)

On December 20th, 2013, all of the Lee Kam students and teachers had a Christmas party. Each class had a party in their classroom. The purpose of the Christmas party was to celebrate Christmas and to have fun.

They watched a funny drama before the party. Most people brought food for the party, and some people made food. Many classes had potato chips, spaghetti, cakes, tarts, pizza and French fries. The students also had drinks like water, soya milk and cola. **A teacher, Mr Chan from class 5A, said, “I liked this Christmas party because I tried the food from many classes. It was yummy!”**

The students played games like Musical Chairs, karaoke, Hangman, Simon Says and Monopoly. These games were popular because everybody knew how to play them and they were very fun. Donald Chu from **5C said, “I liked the Christmas party because we had many exciting games. My favourite was Super TV.”**

The students hope next year’s party will have more special events and be even more fun!

P.5 Guangzhou Trip

By Ceci Chan (5C) and Smiling Po (5B)

From December 23rd to 24th, 2013, P.5 students from Lee Kam Primary School went to Guangzhou for a trip. They learned a lot about **Guangzhou's history there.**

The teachers wanted the students to know more about history and wanted them to take care of themselves, so they let the students go on this trip. On the day they left, about 120 students stood in the playground, waiting for the bus. They were in 12 groups. Each group had about 10 students. Each group had a teacher, and every four groups had a tour guide. There were three buses with four groups on each. They used the buses to travel around Guangzhou and to listen to the tour guide talking about history.

When the students arrived in Guangzhou, the first place they visited was a street that had a lot of Western houses. The houses were beautiful and they had a long history, so the students thought they should be protected. Then, they went to look at an old church that was beautiful and huge. They learned **about Guangzhou's history and learned that it is a city with both Chinese and Western influences.** Cha Cha Mok from 5C said, **"I liked this trip so much! I learned a lot of things about Guangzhou from it!"**

At night, they slept in a hotel. The next morning, they went to visit a place that had many Western and Chinese style houses. Then they went to the Guangzhou History Museum to learn a lot of **information about Guangzhou's history.** Finally they went to the Sun Yat Sen Memorial Hall. That place was beautiful and the students enjoyed seeing the architecture.

All of the students really enjoyed this trip. Joseph Cheung from 5C said, **"The Guangzhou trip made me like the place more. I want to go there again."**

Mr Ng

By Stephanie Chow (5A) and Henry Tsang (6D)

Mr Ng is a lovely, nice and handsome teacher. He is the 2D class teacher. He teaches Maths, General Studies and English. The students he teaches love him very much!

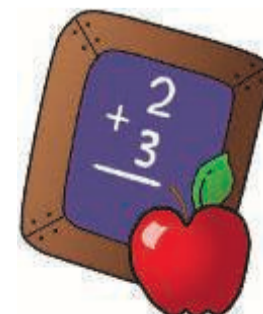

He has been teaching at Lee Kam Primary school for almost three years. The students like him because he does not give too much homework. When he teaches, he always plays games and tells **jokes.** Jason Law in 6D said, **"I like Mr Ng because he is kind, and we can ask him questions at recess."**

He used to be the table tennis leader. When he coached the table tennis team, they won third prize in the Tuen Mun Table Tennis Competition. This was an achievement for Lee Kam Primary School.

In his spare time, Mr Ng likes to read books. He is a very popular teacher at Lee Kam Primary School.

The Good People & Good Deeds OF Lee Kam

English Buddies

By Celia Tsang (5C) and Ting Lai (6B)

The English Buddies are a group of people who help the students in Lee Kam Primary School improve their English. Do you know why the teachers want LKPS to have English Buddies? It is because they want older students to help the other students!

Some English Buddies play games and some are talking buddies. Students who need help with their English can meet an English Buddy any day they like.

Tiffany Mok in 5C said, "The English Buddies helped me to improve my English because we talked in English and I learned a lot."

All the English Buddies are P.3-P.6 students. There are about 20-30 students who are English Buddies. If your English is good, you get chosen by the English teacher to be an English Buddy. When the students play games or talk to the English Buddies, they receive a Superkid point. If they get enough Superkid points, they receive a prize.

The English Buddies are very important because they help to improve the English of the students at Lee Kam Primary School.

Restaurant Review

By Joshua Ho (5E)

My favourite restaurant is Indonesia Restaurant. It is in Tsim Sha Tsui.

At this restaurant, you can eat Indonesian dishes like skewers, curry chicken and spicy soup. The dish I like the most is the curry lamb. It is not too spicy and it is delicious. All of the waiters, dishwashers and cooks are Indonesian.

This restaurant is very far from the MTR station and bus stops, so you need to walk about 5-8 minutes to get there.

I give Indonesia Restaurant 4 ½ out of 5 stars.

STAR RATING:

The Librarians

By Cherry Sin (4B) and Mavis Ma (4A)

There are many librarians in Lee Kam Primary School. They help the master librarian, Miss Ng. They help her

The librarians work very hard at the library

throughout the year by tidying the library and returning or lending books. Each of them helps Miss Ng two or three days a week.

The librarians are chosen by Miss Ng every year. You have to be in P.4-P.6 to be a librarian. Being a librarian is a good opportunity to learn about the library. If you want to know anything about the library, then you can ask Miss Ng. She can help you a lot. She has worked at the library since the school opened and **she is very nice and helpful. Miss Ng said, "I love this job very much! My favourite part of my job is reading and telling stories to the children. I think the library is so tiny! I want a bigger library because I want to keep more books in the library."**

The library is an important part of our school because it helps us to learn new things. The librarians are good people because they help to keep the library tidy. **A librarian, Kitty Tse from 4D, said, "I think the library is great. I have worked in the library for half a year. My favourite part of my job is returning the books to the bookshelves. I like a book named Polar Bears very much. I want to recommend it to you."**

We hope you all enjoy reading in the library!
