Song of September

WE ARE SUPER!

What does SUPER stand for?
Let me tell you right now.
Sincere to everyone.
Unique in talent.
Pleasant in words and deeds.
Energetic in activities.
Responsible for oneself.
That is SUPER!

We are SUPER. We are SUPER.
We love to learn, we learn to love. We are SUPER.
We are SUPER.
We love to learn, we learn to love.

S sincere, be honest and true (TRUE!)
U unique, be different, be you (YOU!)
P is pleasant, be nice and kind too (OF COURSE!)
E's energetic, being active is cool (COOL!)
R responsible, do what you need to do (AND)
+ be positive, that's our golden rule (WHAT'S MORE)
Be healthy, and happy, be thankful, and also caring
Love our Lee Kam home,
Love our awesome school (YEAH)

Plus is living meaningfully caring for friends and family
Plus means don't give up when we're low
'cause mistakes will help us grow
Plus is learning about how we feel
So all our challenges are no big deal
Together let's chase our dreams
That's what plus means

We are SUPER+. We are SUPER+.
We love to learn, we learn to love. We are SUPER+.
We are SUPER+.
We love to learn, we learn to love.
We love to learn!

S! U! P! E! R!
SUPER PLUS SUPER PLUS x4

Yeah!

Song of October

Just Hold On

Wish that you could build a time machine
So you could see the things that no one can see
Feels like you're standing on the edge
Looking at the stars and wishing you were them

What do you do when a chapter ends?
Do you close the book and never read it again?
Where do you go when your story's done?
You can be who you were or who you'll become
Oh-oh-oh, oh-oh-oh-oh, if it all goes wrong
Oh-oh-oh, oh-oh-oh-oh, darling, just hold on

The sun goes down and it comes back up
The world it turns, no matter what
Oh-oh-oh, oh-oh-oh-oh, if it all goes wrong
Darling, just hold on

Oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh
Darling, just hold on
Oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh

It's not over 'til it's all been said
It's not over 'til your dying breath
So, what do you want them to say when you're gone?
That you gave up or that you kept going on?

What do you do when a chapter ends?
Do you close the book and never read it again?
Where do you go when your story's done?
You can be who you were or who you'll become
Oh-oh-oh, oh-oh-oh-oh, if it all goes wrong
Oh-oh-oh, oh-oh-oh-oh, darling, just hold on

The sun goes down and it comes back up
The world it turns no matter what
Oh-oh-oh, oh-oh-oh-oh, if it all goes wrong
Darling, just hold on

Oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh
Darling, just hold on
Oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh
Oh-oh-oh, oh-oh-oh-oh, if it all goes wrong
Oh-oh-oh, oh-oh-oh-oh, darling, just hold on

Oh-oh-oh, oh-oh-oh-oh
If it all goes wrong
Darling, just hold on

Song of November

We're All in This Together

Alright, alright, here we go

Together, together, together everyone

Together, together, come on, let's have some fun

Together, we're there for each other every time

Together, together, come on, let's do this right

Here and now, it's time for celebration

I finally figured out, yeah, yeah

That all our dreams (uh) have no limitations

That's what it's all about (come on now)

Everyone is special in their own way

We make each other strong (we make each other strong)

We're not the same

We're different in a good way

Together's where we belong

We're all in this together

Once we know

That we are

We're all stars

And we see that

We're all in this together

And it shows

When we stand

Hand in hand

Make our dreams come true

Together, together, together everyone

Together, together, come on, let's have some fun

Together, we're there for each other every time

Together, together come on, let's do this right

We're all here

And speaking out with one voice

We're going to rock the house, yeah, yeah

The party's on, now everybody make some noise

Come on, scream and shout

We've arrived

Because we stuck together

Champions one and all

We're all in this together

Once we know

That we are

We're all stars

And we see that

We're all in this together

And it shows

When we stand

Hand in hand

Make our dreams come

We're all in this together

When we reach

We can fly

Know inside

We can make it

Song of November

We're all in this together
Once we see
There's a chance
That we have
And we take it

Wildcats sing along
Yeah, you really got it going on
Wildcats in the house
Everybody say it now

Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Time to show the world

Hey, oh, hey, oh alright here we go

We're all in this together
Once we know
That we are
We're all stars
And we see that

We're all in this together
And it shows
When we stand
Hand in hand
Make our dreams come true

We're all in this together
When we reach
We can fly
Know inside
We can make it

We're all in this together
Once we see
There's a chance
That we have
And we take it

Wildcats everywhere
Wave your hands up in the air
That's the way we do it
Let's get to it
Come on everyone

Song of December

Santa's Coming For Us

Nights are getting shorter now
Hot chocolate fills the air and Christmas cheer
does too
Picking out your Christmas tree, so lovely
The joy this time it brings to you

Santa's coming to town
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
Santa's coming to town

Sing it to the deer in the sky
Sing it as they jingle, jingle, jingle tonight
Sing it to the moon, set it free
You're the angel on the top of my tree
Sing it to the spirit above
Sing your heart out with all of your love
Santa's coming for us

Santa's coming for us
Santa's coming for us
Santa's coming for us
Santa's coming for us
Santa's coming for us
Oh, Santa's coming for us

Send your letters off to Santa, baby
Tell him all your secret wishes too
Send your letters off to Santa, baby
Hoping all your wildest dreams come true

Santa's coming to town
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
Santa's coming to town

Sing it to the deer in the sky
Sing it as they jingle, jingle, jingle tonight
Sing it to the moon, set it free
You're the angel on the top of my tree
Sing it to the spirit above
Sing your heart out with all of your love
Santa's coming for us

Santa's coming for us
Santa's coming for us
Santa's coming for us
Santa's coming for us
Santa's coming for us
Oh, Santa's coming for us

Santa's coming to town
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)
Santa's coming to town

Santa's coming to town
(Oh, da da da, oh, da da da)
(Oh, da da da, oh, da da da)

Song of January

Nobody

Nobody, nobody, nobody (ooh)
Nobody, nobody, nobody
Yeah

I'd take the fall
I got you covered when there's no one at all
Oh, yeah, and I'd stay through the night
When you got demons tryna break through the walls

There ain't no, no kinda line
That I wouldn't cross if you need me to
You're out here searchin' for signs
So I think it's finally time that you knew

Nobody got you the way I do (ooh)
Whatever demons you're fightin' through
When you need somebody to turn to (ooh)
Nobody got you the way I do, the way I do (woo)

Nobody, nobody, nobody (ee-oh)
Got you the way I do (oh-oh)
Nobody, nobody, nobody (ee-oh)
Nobody got you the way I do, the way I do (yeah, yeah)

When you go dark and the night gets so cold
I'll be on my way to you (oh yeah)
You know I ain't tryna lose you, oh, no
If you're in Hell, I'll go there too

There ain't no, no kinda line
That I wouldn't cross if you need me to
You're out here searchin' for signs
So I think it's finally time that you knew

Nobody got you the way I do (ooh)
Whatever demons you're fightin' through
When you need somebody to turn to (ooh)
Nobody got you the way I do, the way I do (woo, I do)

Nobody, nobody, nobody (ee-oh)
Got you the way I do (oh-oh)
Nobody, nobody, nobody (ee-oh)
Nobody got you the way I do, the way, the way, the way I do (woo)

The way, the way, the way I do (ooh-ooh)
Nobody got you the way I do (woo)

Nobody, nobody, nobody (ee-oh)
Got you the way I do (yeah, yeah, yeah)
Nobody, nobody, nobody (ee-oh)
Nobody got you the way I do, the way I do (woo)

Nobody, nobody, nobody (ooh)
Nobody got you the way I do

Song of February

Celestial

You see, tonight, it could go either way
Hearts balanced on a razor blade
We are designed to love and break
And to rinse and repeat it all again

I get stuck when the world's too loud
And things don't look up when you're goin' down
I know your arms are reachin' out
From somewhere beyond the clouds

You make me feel
Like my troubled heart is a million miles away
You make me feel
Like I'm drunk on stars and we're dancing out
into space
Celestial Celestial

I see the light shinin' through the rain
A thousand colors in a brighter shade
Needed to rise from the lowest place
There's a silver lining that surrounds the grey

When I get lost, will it come back around?
Things don't look up when you're goin' down
I know your arms, they are reachin' out
From somewhere beyond the clouds

You make me feel
Like my troubled heart is a million miles away
You make me feel
Like I'm drunk on stars and we're dancing out
into space
Celestial
Celestial, oh-oh

We were made to be
Nothin' more than this
Finding magic in all the smallest things
The way we notice, that's what really matters
Let's make tonight go on and on and on

You make me feel
(We were made to be nothing more than this)
(Finding magic in all the smallest things)
You make me feel
(The way we notice, that's what really matters)
(Let's make tonight go on and on and on)

You make me feel
Like my troubled heart is a million miles away
You make me feel
Like I'm drunk on stars and we're dancing out into
space
Celestial, oh-oh
Celestial, oh-oh
Celestial

We were made to be
Nothing more than this (oh-oh)
Finding magic in all the smallest things (celestial)
The way we notice, that's what really matters (oh-oh)
Let's make tonight go on and on and on
Celestial

Song of March

Unstoppable

All smiles, I know what it takes to fool this town
I'll do it 'til the sun goes down
And all through the nighttime
Oh, yeah

Oh, yeah, I'll tell you what you wanna hear
Leave my sunglasses on while I shed a tear
It's never the right time
Yeah, yeah

I put my armor on, show you how strong I am (am)
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game

I'm so powerful
I don't need batteries to play
I'm so confident
Yeah, I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

Break down, only alone I will cry out now
You'll never see what's hiding out
Hiding out deep down
Yeah, yeah

I know, I've heard that to let your feelings show
Is the only way to make friendships grow
But I'm too afraid now
Yeah, yeah

I put my armor on, show you how strong I am (am)
I put my armor on, I'll show you that I am

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game

I'm so powerful
I don't need batteries to play
I'm so confident
Yeah, I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

I put my armor on, show you how strong I am
I put my armor on, I'll show you that I am

Song of March

I'm unstoppable
I'm a Porsche with no brakes
I'm invincible
Yeah, I win every single game

I'm so powerful
I don't need batteries to play
I'm so confident
Yeah, I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

Unstoppable today
Unstoppable today
Unstoppable today
I'm unstoppable today

The Climb

I can almost see it
That dream I'm dreaming
But there's a voice inside my head saying
You'll never reach it

Every step I'm taking
Every move I make feels
Lost with no direction
My faith is shaking

But I, I gotta keep trying
Gotta keep my head held high

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

The struggles I'm facing
The chances I'm taking
Sometimes might knock me down, but
No, I'm not breaking

I may not know it
But these are the moments, that
I'm gonna remember most, yeah
Just gotta keep going

And I, I gotta be strong
Just keep pushing on, 'cause

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes I'm gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb

Yeah

There's always gonna be another mountain
I'm always gonna wanna make it move
Always gonna be an uphill battle
Sometimes you're gonna have to lose
Ain't about how fast I get there
Ain't about what's waiting on the other side
It's the climb
Yeah, yeah

Keep on moving, keep climbing
Keep the faith, baby
It's all about, it's all about the climb
Keep your faith, keep your faith
Whoa

A Million Dreams

I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

For the world we're gonna make

Hall Of Fame

Yeah, you can be the greatest, you can be the best
You can be the King Kong bangin' on your chest
You can beat the world, you can win the war
You can talk to God, go banging on his door
You can throw your hands up, you can beat the clock
You can move a mountain, you can break rocks
Some will call that practice, some will call that luck
But either way you're going to the history books

Standing in the Hall of Fame

And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the Hall of Fame

You can go the distance, you can run a mile
You can walk straight through hell with a smile
You can be a hero, you can get the gold
Breaking all the records they thought would never
be broke
Yeah, do it for your people, do it for your pride
Are you ever gonna know if you never even try?
Do it for your country, do it for your name
'Cause there's gonna be a day when you're

Standing in the Hall of Fame

And the world's gonna know your name
'Cause you burn with the brightest flame
And the world's gonna know your name
And you'll be on the walls of the Hall of Fame

You'll be on the walls of the Hall of Fame

Be students, be teachers
Be politicians, be preachers, yeah (yeah)
Be believers, be leaders
Be astronauts, be champions
Be truth seekers
Be students, be teachers
Be politicians, be preachers, yeah (yeah)
Be believers, be leaders
Be astronauts, be champions

Standing in the Hall of Fame

And the world's gonna know your name
'Cause you burn with the brightest flame (oh-oh)
And the world's gonna know your name
And you'll be on the walls of the Hall of Fame

Yeah, you can be the greatest, you can be the best
You can be the King Kong bangin' on your chest
You can beat the world, you can win the war
You can talk to God, go bangin' on his door
You can throw your hands up, you can beat the clock
You can move a mountain, you can break rocks
Some will call it practice, some will call that luck
But either way you're going to the history books
Standing in the Hall of Fame

Better Days

Oh, I know that there'll be better days
Oh, that sunshine 'bout to come my way
May we never ever shed another tear for today
'Cause oh, I know that there'll be better days

Apro gli occhi e sono a Roma
Tu sai dirmi in che anno sei?
Ogni giorno si va tutti in scena
In un film che non parte mai
Dai balconi, un pezzo di noi
Racconta che fai, racconta chi sei
E non si muove più una foglia
Io chiudo gli occhi e penso a lei

Oh, I know that there'll be better days
Oh, that sunshine 'bout to come my way
May we never ever shed another tear for today
'Cause oh, I know that there'll be better days

Been waking up to a new year (sveglio già un
giorno)
Got the past million miles away (in che anno sei?)
I been waking up with a new fear (la paura che io
sento)

But I know it'll wash away
Whatever you do
Don't worry 'bout me
I'm thinking 'bout you
Don't worry 'bout us
'Cause in the morning everything can change, yeah
And time will tell you it does

Oh, I know that there'll be better days
Oh, that sunshine 'bout to come my way
May we never ever shed another tear for today
'Cause oh, I know that there'll be better days

Better days (Better days)
Better days (Better days)

May we never ever shed another tear for today
'Cause oh, I know that there'll be better days

May we never ever shed another tear for today
'Cause oh, I know that there'll be better days
