WE ARE SUPER!

What does SUPER stand for?
Let me tell you right now
Sincere to everyone
Unique in talent
Pleasant in words and deeds
Energetic in activities
Responsible for oneself
That is SUPER!

We are SUPER. We are SUPER
We love to learn, we learn to love
We are SUPER. We are SUPER
We love to learn, we learn to love

S sincere, be honest and true (TRUE!)
U unique, be different, be you (YOU!)
P is pleasant, be nice and kind too (OF COURSE!)
E's energetic, being active is cool (COOL!)
R responsible, do what you need to do (AND)
+ be positive, that's our golden rule (WHAT'S MORE)
Be healthy, and happy, be thankful, and also caring
Love our Lee Kam home, Love our awesome school (YEAH)

Plus is living meaningfully
caring for friends and family
Plus means don't give up when we're low
'cause mistakes will help us grow
Plus is learning about how we feel
So all our challenges are no big deal
Together let's chase our dreams
That's what plus means

We are SUPER+. We are SUPER+
We love to learn, we learn to love
We are SUPER+. We are SUPER+
We love to learn, we learn to love
We love to learn!

S! U! P! E! R!
SUPER PLUS SUPER PLUS x4

Yeah!!!!!!

I KNEW IT, I KNEW YOU

I knew you
Through the daze of the blades of the grass in summer
Parachutes for the free fall of being younger
I memorized the sound of your bare footsteps
Running wild, it's been a long time
Life has ways of leaving those days behind

But seeing you tonight
I remembered I loved you
Came back when it mattered,
I saw you, standing there in the light of the window
Wearing that same smile
Man, it's been a while
But I knew it, I knew you
I knew it, I knew you

I knew you, all your blues like a mood ring changing colors
You did too, there were times we could fight like brothers
I watched you drive around the bend
For what I thought would be the last time I saw my friend
But love has ways of bringing things back to life
All you said was, "Hi"

And I remembered I loved you
Came back when it mattered
I saw you, standing there in the light of the window
Wearing that same smile
Man, it's been a while

But I knew it, I knew you (I knew, I knew)
I knew it, I knew you (I knew, I knew)
I knew it, I knew you (I knew, I knew)
Oh, the rivers I cried when we said goodbye
Wondering if I'd made it up in my mind

But now you look me in the eye
And you told me I loved you
Came back when it mattered

I saw you, standing there in the light of the window
Wearing that same smile
Yeah, it's been a while, oh
Wearing that same smile
Man, it's been a while (man, it's been a while)
Wearing that same smile
Man, it's been a while

But I knew it, I knew you (ooh, I knew you, I knew)
I knew it, I knew you
Wearing that same smile (Ooh, I knew you, I knew)
I knew it, I knew you (Ooh, I knew you, I knew)
I knew it, I knew you (Ooh, I knew you, I knew)
I knew it

SOMETHING MORE

Four walls
That same old grayscale
Tryin' to keep me inside
Feelin' so small
Stuck in the details
Keep me fallin' in line

I got a fire in this heart of a mine
Keep put it out so don't even try, oh
I'm burning it brighter, straight from the core, 'cause

I was made for something more
For something more
Whoa, oh, whoa, oh, something more
Whoa, oh, I was made for something more

Oh, I can't hide this feeling
Let it take over now
This is my time, don't need no reason
To get up and get out

I got a fire in this heart of a mine
Keep put it out so don't even try, oh
I'm burning it brighter, straight from the core, 'cause

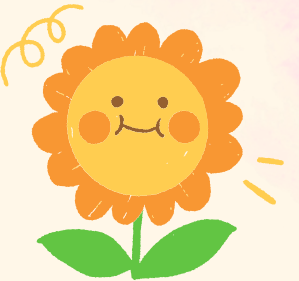

I was made for something more
For something more
Whoa, oh, whoa, oh, something more
Whoa, oh, I was made for something more

The wait is over
Lettin' the world fall off my shoulders
'Cause I'm know I'm meant for something beautiful

I got a fire in this heart of a mine
Keep put it out so don't even try, oh
I'm burning brighter, straight from the core, 'cause

I was made for something more

Whoa, oh, whoa, oh, something more
Whoa, oh, I was made for something more
Whoa, oh, whoa, oh, something more
Whoa, oh, I was made for something more

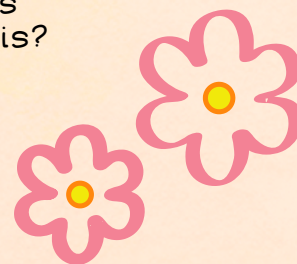

COULDN'T BE BETTER

Hello gorgeous, let's check out how you look today
Short and stubby, and my gosh, look how much you weigh!
You're pinkish red, got this thing on your head, and woah
Girl, you couldn't look better
Shake the sleep off and kick into the morning drill
It's another awesome day here in Uglyville
Grab your shoes, time to spread the good news, oh woah
Things just couldn't be better
Call it hope or faith, whatever

I just know in my heart, it's the day I've awaited forever
'Cause there's a scrambled sun in a tangled sky
And the moon couldn't be any brighter
And as the slam big city goes rocketing by
Oh, my head couldn't feel any lighter
It's like a fun house ride, the kind you just can't miss
Call it crazy, and yet, is there anything better than this?
Life just couldn't be better than this
Never mind that, I'll tell you what the day'll bring
First a shindig, then a bash, then more partying
Top it all with a rave, then a ball (oh-woah-oh)
Yeah, you know it couldn't be better
Morning Moxy, got something new you wanna try?
It's a brownie cupcake fudge berry ice cream pie
Just one bite, who needs kids? Am I right? Babo
It just couldn't taste better

And soon, you know what is coming
But until it arrives, might as well keep the party humming, yeehaw
Yes, it's a square peg life in a round hole town
But the folks couldn't be any sweeter (sweeter)
It may be upside backwards and wrong side down
But it just couldn't feel more completer
And there's so much to do
And it's all such bliss

There's no reason to fret
What could ever be better than this?
No, it couldn't get better than
Stop the press, Ugly Dog is here
Story of the day, of the month, of the year
Here's a little scoop on the way down low
Check check check out the flow
The cats are rapping, lobster snapping
But only the dog makes the party happen
So put in your paper, seal it with a kiss
It couldn't bet better than this

Another madhouse night in a crazy quilt world
And our hearts couldn't soar any higher
We've got our freak flags flying, completely unfurled
And we just couldn't be more on fire
And life's a nonstop blast, it's utter awesomeness
Yeah, it's crazy, you bet, but it couldn't get better than this
It's crazy, you bet, it could never get better than this
It could never be

But it never be better than this
Could it be better than this?
Guess another sun has set
And another moon has smiled
I'm still just one more doll
Still waiting for her child
I'm sure it's gonna happen
Just like the story says
There's a new day 'round the corner
And it just might be the day

JAN

200

Come on, get on up
We're wild and we can't be tamed
And we're turnin' the floor into a zoo, ooh-ooh
Hop-ah, hop-ah, hop-ah, hop-ah, ah
Hop-ah, hop-ah, oh
Hop-ah, hop-ah, hop-ah, hop-ah, ah
Hop-ah, hop-ah, oh
We live in a crazy world, caught up in a rat race
Concrete jungle life is sometimes a mad place
It's you and me together, the end of a wild day
Don't keep it all bottled up, and release your energy
Hey-oh, hey

Only reason we are here is to celebrate
In a place where anyone can be anything
Hold on to this moment, don't let it fade away
Baby, keep the music playing
Come on, get on up

We're wild and we can't be tamed
And we're turnin' the floor into a zoo, ooh-ooh
Come on, keep it up

It's fun if you're down to play
And we're turnin' the floor into a zoo, ooh-ooh
Hop-ah, hop-ah, hop-ah, hop-ah, ah
Hop-ah, hop-ah, oh
Hop-ah, hop-ah, hop-ah, hop-ah, ah
Hop-ah, hop-ah, oh (A zoo, ooh-ooh)

We live in a heated time, no chance to cool down
Continuously confined, and what do we do now?
It's all about finding love, sometimes hard to come by
But when it comes to us, it's always a good time
Hey-oh, hey

Only reason we are here is to celebrate
In a place where anyone can be anything
Hold on to this moment, don't let it fade away
Baby, keep the music playing
Come on, get on up

We're wild and we can't be tamed
And we're turnin' the floor into a zoo, ooh-ooh
Come on, keep it up

It's fun if you're down to play
And we're turnin' the floor into a zoo, ooh-ooh
Hop-ah, hop-ah, hop-ah, hop-ah, ah
A zoo, ooh-ooh (Hop-ah, hop-ah, oh)
Hop-ah, hop-ah, hop-ah, hop-ah, ah
A zoo, ooh-ooh (Hop-ah, hop-ah, oh)
Hop-ah, hop-ah, hop-ah, hop-ah, ah
A zoo, ooh-ooh (Hop-ah, hop-ah, oh)
Hop-ah, hop-ah, hop-ah, hop-ah, ah
A zoo, ooh-ooh (Hop-ah, hop-ah, oh)

I'll take you higher, I'll take you higher
We can't be tamed, baby, I'll take you higher
I'll take you higher, I'll take you higher
And we can't be tamed, baby, I'll take you higher
Es una fiesta que sube como la espuma
Yo por ti iré hasta la luna de ida y vuelta
Es una fiesta que sube como la espuma
Yo por ti iré hasta la luna de ida y vuelta

Come on, get on up
We're wild and we can't be tamed
And we're turnin' the floor into a zoo, ooh-ooh
Come on, keep it up

It's fun if you're down to play
And we're turnin' the floor into a zoo, ooh-ooh
Come on, get on up

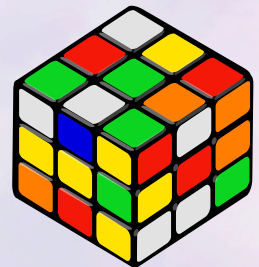

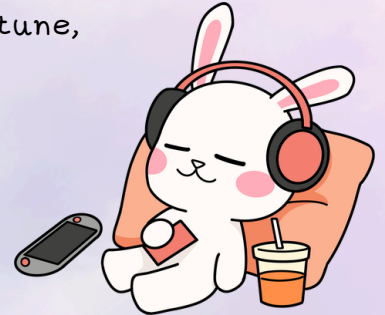

We're wild and we can't be tamed
And we're turnin' the floor into a zoo, ooh-ooh
Come on, keep it up

It's fun if you're down to play
And we're turnin' the floor into a zoo, ooh-ooh

THE MOST MAGICAL PARTY OF ALL

FEB

Isn't it crazy?
How far we made it,
feels like we started it yesterday.
20 in growing,
we keep it glowing,
Here's the future and the memories made,
Bring the beat, we gonna turn,
on the volume,
energy is electrified.
You and me get the whole world singing on tune,
Dancing on day,
into the night.
Alright!
So are you ready?
Cue the confetti,
and sing it with me,
cause it's time to celebrate,
Tell everybody,
big or small,
it's the most magical party of all,
Sophisticated and elevated,
Let's get the fireworks out of the sky like shooting stars all through the night all cause,
we get the thought coming in hot,
it's around does like non stop,
I get a feeling it won't stop, naah~,
don't stop!
Bring the beat, we gonna turn,
on the volume,
energy is electrified.
You and me get the whole world singing on tune,
Dancing on day,
into the night.
Alright!
So are you ready?
Cue the confetti,
and sing it with me,
cause it's time to celebrate,
Tell everybody,
big or small,
it's the most magical party of all,
Over the globe yeah~,
far and wide,
Welcome to our party,
one of the kind,
So, if you can hear me shout it aloud,
come on everybody~ ohh~,
So are you ready?
Cue the confetti,
and sing it with me,
cause it's time to celebrate,
Tell everybody,
big or small,
it's the most magical party of all,
Come on everybody,
Come to our party ohoho~,
Come on everybody,
Come to our party ohoho~,
Tell everybody,
big or small,
it's the most magical party,
most magical party of all. Come on everybody,
Come to our party ohoho~,
Come on everybody,
Come to our party ohoho~,
Tell everybody,
big or small,
it's the most magical party,
most magical party of all.

GET BACK UP AGAIN

I really hope I can do it
'Cause they're all depending on me
I know that I must leave the only home I've ever known
And brave the dangers of the forest
Saving them before they're eaten
I mean, how hard can that be?

Looking up at a sunny sky, so shiny and blue and there's a butterfly
Well, isn't that a super fantastic sign
It's gonna be a fantastic day
Such marvelousness
It's gonna bring, got a pocket full of songs that I'm gonna sing
And I'm ready to take on anything
Hooray!
Some super fun surprise around each corner
Just riding on a rainbow, I'm gonna be okay

Hey!
I'm not giving up today
There's nothing getting in my way
And if you knock knock me over
I will get back up again, oh
If something goes a little wrong
Well you can go ahead and bring it on
'Cause if you knock knock me over, I will get back up again
Whoa oh oh oh oh, get back up again, whoa oh oh oh oh oh

I'm marching along I got confidence
I'm cooler than a pack of peppermints
And I haven't been this excited since
I can't remember when!

I'm off on this remarkable adventure
Just riding on a rainbow
What if it's all a big mistake
What if it's more than I can take
No I can't think that way 'cause I know that
I'm really, really, really gonna be okay

Hey!
I'm not giving up today
There's nothing getting in my way
And if you knock knock me over
I will get back up again, oh
If something goes a little wrong
Well you can go ahead and bring it on
'Cause if you knock knock me over, I will get back up again

Whoa oh oh oh oh, get back up again, whoa oh oh oh oh oh (I'm okay)
Whoa oh oh oh oh
And if you knock knock me over, you knock knock me over
I will get back up again

GIRL IN THE MIRROR

I'm tired of my thoughts
They weigh me down, feels like I'm drowning
I'm tired of my flaws
They feel me with anxiety and doubt

Honestly, I'm done with hating pictures of myself
And trying to be like everybody else

I wanna be like, look like the girl in the mirror
Wanna act like, dance like no one's watching her
I could try to be just like you
But I wanna be like me, the girl in the mirror

The girl in the mirror
The girl in the mirror

I'm sick of the likes and followers everyone's counting
I'm sick of the lies, smiling, but I'm crying inside

Honestly, I'm done with hating pictures of myself
And trying to be like everybody else

I wanna be like, look like the girl in the mirror
Wanna act like, dance like no one's watching her
I could try to be just like you
But I wanna be like me, the girl in the mirror

The girl in the mirror

Wanna wake up, no make-up
And still think I'm beautiful
Wanna smile like I mean it
And finally be comfortable with me
Finally be comfortable with me, oh

I wanna be like, look like the girl in the mirror
Wanna act like, dance like no one's watching her
I could try to be just like you
But I wanna be like me, the girl in the mirror

The girl in the mirror
The girl in the mirror
Girl in the mirror
The girl in the mirror

MAY

I BELIEVE I CAN FLY

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly

I believe I can touch the sky

I think about it every night and day

Spread my wings and fly away

I believe I can soar

I see me running through that open door

I believe I can fly

I believe I can fly

(Oh) I believe I can fly

See I was on the verge of breaking down

Sometimes the silence can seem so loud

There are miracles in life I must achieve

But first I know it starts inside of me

(Oh)

If I can see it, then I can be it

If I just believe it, there's nothing to it

I believe I can fly

I believe I can touch the sky

I think about it every night and day

Spread my wings and fly away

I believe I can soar

I see me running through that open door

I believe I can fly

I believe I can fly

I believe I can fly

Cuz I believe in it

If I can see it, then I can do it

If I just believe it, there's nothing to it

I believe I can fly

I believe I can touch the sky

I think about it every night and day

Spread my wings and fly away

I believe I can soar

I see me running through that open door

I believe I can fly

I believe I can fly

I believe I can fly

If I just Spread my wings

I can fly

I can fly

I can fly

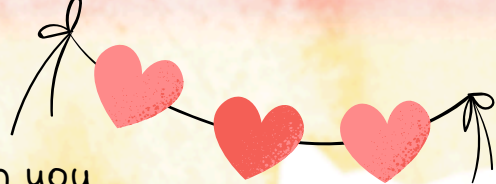

If I just Spread my wings

I can fly

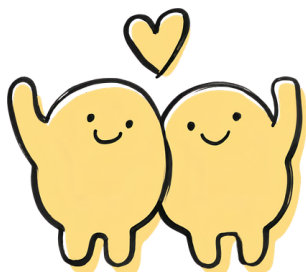

I GOT YOU

Everything is better when i'm with you
Don't know how we found each other but i'm glad we did
All the fun that we get into
Life is full of problems but there's nothing we can't fix
You're not alone don't you forget
No matter how good or bad it gets
Best friends means til the end

I got you
You've always got my back, whenever i'm sad
Yeah I got you
You always know the way, to make it okay
Yeah I got you
It's us, it's trust
It's never giving up no matter what
Yeah I got you
Whenever you get down, I'll always be around
Yeah that's called

Friendship, if we make a promise that's 'cause we meant it
You're always invited don't need a guest list
I know that we'll be alright
Cause i'm with my best friend for life
You're not alone don't you forget
No matter how good or bad it gets
Best friends means til the end

I got you
You've always got my back, whenever i'm sad
Yeah I got you
You always know the way, to make it okay
Yeah I got you
It's us, it's trust
It's never giving up no matter what
Yeah I got you
Whenever you get down, I'll always be around
Yeah I got you

I got you
Look around, here and now
In this moment we're blessed
Cause forever's a feeling you never forget
If you're up, if you're down, it will always be true
That I got, I got, I got, I got

I got you
You've always got my back, whenever i'm sad
Yeah I got you
You always know the way, to make it okay
Yeah I got you
It's us, it's trust
It's never giving up no matter what
Yeah I got you
Whenever you get down, I'll always be around
Yeah I got you

FAITH

See the girl with the diamonds in her shoes?
She walks around like she got nothing to lose
Yeah, she's a go-getter, she's everybody's type
She's the queen of the city, but she don't believe the hype
She got her own elevation, holy motivation
'Til I wrote some letters on big bold signs

I got faith in you, baby

I got faith in you now

And you've been such a, such a good friend of me

Know that I love you somehow

I met you, hallelujah

I got faith

See the boy with the Stevie Wonder swag?

Ain't got a cup, all the magic that he has

He's a go-getter, he's everybody's type

I'ma make it my mission, make him feel alright

He's a twelve on a ten point, rockin' into his joint

Just say the word 'cause I can sing all night

I got faith in you, baby

I got faith in you now

And you've been such a, such a good friend of me

Know that I love you somehow

I met you, hallelujah

I got faith

Faith, yeah

Yes, I do, mmm

I get it runnin' 'round my mind, goes crazy

I think about you mornin', noon, night and day

I get it runnin' 'round my mind, goes crazy

I think about you mornin', noon, night and day

I got faith in you, I get it runnin' 'round my mind, goes crazy

I got faith in you, I think about you mornin', noon, night and day

I got faith in you, honey, I got faith in you, girl

I met you, hallelujah

I got faith in you, baby

I got faith in you now

And you've been such a, such a good friend of me

Know that I love you somehow

I met you, hallelujah

I got faith

I got faith in you, baby

I got faith in you now

And you've been such a, such a good friend of me

Know that I love you somehow

I met you, hallelujah

I met you, hallelujah

I met you, hallelujah

I got faith
