情緒智慧

本校以推動正向教育為關注事項,重視品德培育和價值觀教育。學校除推展一至六年級的校本課程SUPER+課,也加強班級經營,透過分享情緒、師生及生生互動,強化師生和朋輩之間的連繫,建立緊密的師生關係。學生也從中學習待人以誠,重視情意及培養成長型思維,建立正確的價值觀及態度。此外,在課堂上,本校主張「先感受,後學習」,配合學生身心靈的需要,設計多元化的學生活動,讓學生更投入學習。

本校十分重視家校合作·並相信每一位家長都可以將其特質及強項發揮出來·以協助子女成長。為了更全面而有系統地發展家校合作關係及工作·推行「家長學堂Power Up計劃」及「每月家長早晨茶聚」活動·從而凝聚及發揮家長力量·並照顧家長自我身心需要·為家長提供一個舒適和放鬆的時間·讓家長可以有一個喘息和互相支援的平台。

The school prioritizes positive education, emphasizes character development and values education. Through SUPER+ courses and enhanced class management, we foster strong teacher-student and peer relationships, promote sincerity, emotional intelligence, growth mindset, and positive values. Our teaching approach focuses on "experience first, learn later," tailoring diverse student activities to cater to their holistic needs and enhancing student engagement in learning.

Our school highly values home-school collaboration, and we believe that every parent can contribute their unique strengths and qualities to support their children's growth. To develop a more comprehensive and systematic home-school partnership, we have launched the "Parent Academy Power Up Program" and "Monthly Parent Morning Tea Gatherings". These initiatives aim to harness the collective power of parents, address their personal and emotional needs, and provide a comfortable and relaxing platform for parents to take a breather and support one another.

部長 生生 位 Curriculum

本校重視雙語教育·二至六年級推行普教中課程·並設有英文大圖書課程·讓學生沉浸式學習。本校更開設STREAM課程·包括My Ukulele、智慧園丁及耆樂由我創等發掘學生的潛能。此外·本校重視音體藝發展·課堂內外均設有多元化活動·培養學生多方面的發展。透過有趣味和多元的閱讀活動·我們從小培養學生對閱讀的興趣和習慣·讓校園處處洋溢書香氣息。我們致力培養全人發展的學生·為學生開創無限可能。

At our school, we provide a robust bilingual curriculum, blending Cantonese and Mandarin instruction from P. 2 to P. 6, while also offering an immersive English Big Book Program in the curriculum. Beyond academics, we proudly offer diverse STREAM programs to uncover and nurture our students' talents, including P. 4 "My Ukulele", P. 5 "Wise Gardener", and P. 6 "Joyful Elders" project.

Recognizing the importance of a well-rounded education, we place equal emphasis on the arts and physical development. Our students can explore a variety of enriching activities, which cultivate their creativity and athleticism.

To instill a love for learning, we engage our students in captivating diverse reading programs, fostering their passion for literature and infusing our campus with an intellectual atmosphere.

We are committed to developing well-rounded individuals, empowering our students to unlock their full potential and helping them create a future filled with limitless possibilities.

多元學習體驗

本校為學生提供多元化的學習活動,包括:全 方位學習日、參觀活動、教育營、成長綜合課 等,讓學生走出課室,培養學生的實踐能力和 社會責任感,同時亦培養學生自律、尊重、關 愛等價值觀。

四至六年級推行STREAM跨學科課程·讓學生建立穩固的知識基礎·加強學生綜合和應用知識與技能的能力·培養學生的創造、協作和解難能力。

透過混合式教學·學校課程運用不同的電子工具輔助教學·學生寓遊戲於學習·令學習更有效率、更具成效、更具趣味·打破傳統教學的束縛·推動學生自主學習。

本校致力推動語境發展·為學生提供全面且豐富的語境活動·除了每天的英語及普通話廣播·學生亦能在小息時參加語境老師準備的活動·在課堂以外以趣味方式應用兩文三語。在特別的日子·本校更會舉辦中華文化日、英語日和英文閱讀月等·為學生提供多元精彩的學習體驗。

本校設置功課堂·由老師即時提供協助·讓學生 能在校內完成大部份功課·減輕家課負擔。另有 活力時段·鼓勵學生多做運動·促進身心健康· 培養良好的生活作息。

本校提供不同的境外交流機會‧例如澳洲、馬來 西亞、上海、達古冰川等‧鼓勵學生參與境外考 察‧接觸不同文化背景‧了解全球議題‧培養世 界公民意識。

Diverse Learning Experiences

Our school provides a wide range of learning activities for students, including whole-day learning experiences, excursions, educational camps, and integrated growth courses. These opportunities allow students to step out of the classroom, cultivate their practical abilities, and develop a sense of social responsibility. Additionally, we instill values such as self-discipline, respect, and compassion.

In Primary 4 to Primary 6, we implement a STREAM cross-disciplinary curriculum. This helps students build a solid knowledge foundation and strengthen their ability to integrate and apply knowledge and skills. It also fosters their creativity, collaboration, and problem-solving skills

Through blended learning, our school utilizes various digital tools to enhance the teaching and learning process. Students can learn through engaging, efficient and enjoyable activities which break free from the constraints of the traditional teaching methods and hence self-directed learning is promoted.

We strongly emphasize language immersion, providing students with comprehensive and enriching language-learning experiences. In addition to daily English and Mandarin broadcasts, students can participate in language-themed activities during recess, applying their bilingual and trilingual skills in a fun and practical way. On special occasions, the school organizes Chinese Culture Day, English Day, and English Reading Month, offering students diverse and exciting learning opportunities.

The school also provides homework-support classes, where teachers are available to assist students in completing the majority of their homework at school, reducing the burden at home. We also have active time slots to encourage students to engage in physical activities, promoting their physical and mental well-being and cultivating healthy lifestyle habits.

Furthermore, the school offers various overseas exchange opportunities, encouraging students to participate in study tours and immerse themselves in different cultural backgrounds. This helps them develop a global citizen mindset and deepen their understanding of worldwide issues.

成就無限可能

Unleashing Infinite Possibilities

透過伴讀計劃、English Day、「SUPER + Kid」成長計劃、司儀主持、「金」個暑假智多FUN等,學校不但能夠幫助學生發現並展現自己的獨特性,也能培養他們的自主學習和自我管理能力。

Through programs like Mentoring Program, English Day, the SUPER + Kid Program, emceeing opportunities, and the Summer Wisdom Challenge, our school not only helps students uncover and showcase their unique strengths, but also cultivates their self-directed learning and self-management skills.

學生的獨特性亞自主性

本校致力培養每一位學生的全面發展。透過多元化的課程和豐富多彩的校園活動,學生可發掘和展現自己的獨特才能與潛能,有效培養獨立學習和自我管理能力,進而增強自信,為未來的成長與個人發展奠定堅實的基礎。

為了幫助學生更好地認識自己·本校全面推行「SUPER+ Kid」成長計劃·幫助學生認識和欣賞自己的獨特品質·激發他們發展自身優勢的潛力。同時·本校提供不同社際活動和學兄學姐輔導計劃·藉此建立學生之間的聯繫·培養同理心和合作精神。

本校課程融入開放式、探究性的學習任務,給予學生自主規劃、組織和實施自己項目的機會,不但培養學生的創新思維和解決問題的能力,更能裝備學生,在瞬息萬變的世界中茁壯成長。學生可以根據個人興趣和長處,自由選擇參加活動和課程,營造一個積極主動的學習氛圍,讓學生充分發揮和實現自我潛力。

透過促進學生的均衡發展·本校致力激發學生熱愛生命、尊重他人和熱衷學習的精神·培養尊重、關懷和接納的正面價值觀·讓學生成長為一個全面發展、充滿自信和具適應力的個體·為迎接21世紀的挑戰做好準備。

Nurturing the Unique Talents and Independence of Our Students

At our school, we are committed to fostering the comprehensive growth of every student. Through diverse curricula and extracurricular activities, we help students discover and showcase their unique talents and potential.

Our carefully designed curriculum and vibrant campus life cultivate students' independent learning skills and self-management capabilities, building a strong foundation of confidence that will serve them well prepared in their future growth and personal development.

To help students better understand themselves, we have implemented the "SUPER+ Kid" program, guiding them to objectively discover their own qualities and strengths.

To further promote students' all-round development, we offer a variety of inter-house activities and mentorship programs, which help establish connections among students, develop empathy, and foster collaborative spirit.

Furthermore, our open-ended, inquiry-based learning tasks provide students with opportunities to plan, organize, and execute their own projects. This cultivates innovative thinking, problem-solving skills, and equips students to thrive in a rapidly evolving world.

Students can freely choose activities and courses based on their interests and strengths. This helps foster a proactive learning environment where students can fully unleash and realize their potential.

Ultimately, we focus on promoting students' balanced development. We strive to inspire a love for life, respect for others and arouse passion for learning among students. We also nurture positive values of respect, care and acceptance. Our students will become well-rounded, confident, and adaptable individuals, who are well-prepared to embrace the challenges of the 21st century.

Unleash Potential, Pursue Excellence

Our school places great emphasis on developing students' potential, firmly believing that empowering students to take charge of their own learning not only boosts their self-confidence but also enhances their motivation to learn. Our school provides unique and diverse self-directed learning opportunities for students, allowing them to showcase their remarkable talents and potential, and achieve outstanding accomplishments in various fields.

Our school offers various opportunities for students to engage in music. In addition to STREAM curriculum, where students learn to make and play ukulele, our school also has diverse instrumental classes and school bands, providing numerous performance and competition platforms, both within and outside the school, allowing students to further develop their talents. Students who excel in music composition and performance are often applauded at our school's cultural events, such as the Arts Pavilion which helps to boost their self-confidence and learning enthusiasm.

In the realm of sports, our school is committed to offering a wide range of athletic experiences, enabling students to establish healthy lifestyle habits and achieve holistic personal development. Our students excel in various

sports, such as badminton, track and field, and basketball, and have consistently achieved remarkable results in both school-based and external competitions. Beyond expanding their horizons through these competitions, our students' courage, determination, and team spirit have also set a positive example for their peers.

In the field of visual arts, our school is dedicated to nurturing students' unique creativity and expressiveness. Moving beyond traditional visual arts curricula, we encourage multimedia and multi-element exploration, in order to provide students with abundant opportunities to experiment with diverse media and tools, such as ceramics and woodwork. This allows students to observe, feel, and explore their inner selves, helping them better understand and recognize their personal strengths, thereby fostering a sense of accomplishment and positive emotions.

By developing students' potential, our school enables them to uncover their unique qualities, leading to greater engagement and proactive learning. We cultivate a growth mindset at school, where students can be engaged in self-directed learning and exploration, and become more creative and get prepared for the deep learning in the future.
